

Disclaimer - ILUCIDARE pan-European survey

You are about to enter the online survey designed in the context of the ILUCIDARE project.

The questions contained in the survey are of a general nature only and not intended to address the specific circumstances of any particular individual or entity.

The ILUCIDARE project and the Consortium are not responsible for the opinions provided by the participants and for any misuse of this questionnaire. However, this disclaimer is not intended to limit the liability of the ILUCIDARE Consortium in contravention of any requirements laid down in applicable European or national law.

Personal data protection

The ILUCIDARE project is committed to user privacy. The specific policy for the protection of your privacy has been designed on the basis of Regulation 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation).

Purpose of the survey

The results of this study will be used for scientific and scholarly purposes only. In particular this online survey intends to aggregate existing mechanisms of heritage-led innovation and diplomacy into a comprehensive systemic framework. The types of data to be collected include: (1) Data on user-preferences of stakeholders and end-users at each level of the quadruple helix (Civil society/NGO, Government/Public Administration, Research/Education, Business/Industry); (2) Data on relevant local case studies and technical, social, economic and legal barriers for implementation; (3) pre- and post-test survey with categorical variables of capacity buildings (monitoring).

Recipients of the Information

Your replies will only be read and analyzed by the ILUCIDARE research team. The analysis of the data obtained by this survey can be used for scientific purposes and may be published. The anonymization and confidentiality of the collected data are safeguarded at any stage of the study.

Retention period

The results of this survey will be stored for a 5-year period in order to comply with the European Union requirements for possible audits of the results of the project.

Confidentiality and data security measures

Your survey answers will be stored in the KU Leuven servers in Excel format. Your responses will remain anonymous. No one will be able to identify you or your answers, and no one will know whether or not you participated in the study.

Your participation in this research study is voluntary. You may choose not to participate. If you decide to participate in this research survey, you may withdraw at any time. If you decide not to

participate in this study or if you withdraw from participating at any time, you will not be asked the reasons why. You may access, rectify or erase any data collected at any time during the retention period.
